

Call Process Update

The Call Committee completed their training retreat on October 28. On November 1, Pastor CeCee Mills, from the Bishop's Staff, provided the committee with names of pastors to consider with information on each one so they could begin their discernment process and interviews. These names include pastors that members of our church nominated as well as pastors identified by the Bishop's Staff.

Please continue to pray for the guidance of the Holy Spirit as the Call Committee continues their work. Also pray for the pastor whom God has gifted and prepared to serve with us as the next Senior Pastor of St. John's.
